BESPOKE SERVICES

At the La Aurelia Studio, we design refined wallpapers daily. Our base models serve as a starting point, but we are not bound by size, color scheme, or patterns. Instead, we create unique aesthetic concepts exclusively for your project, ensuring that every detail is carefully considered.

We love to put our clients central, give them personal attention and surprise them with our bespoke concepts. With our service, you receive a private Wallpaper with a distinctive design, a perfect fit and outstanding service.

In addition to supplying the wallcovering, La Aurelia Design can also take care of the installation within the Benelux region. For other countries, we may be able to assist you through our extensive network of partners. Let us transform and redesign your walls, as the possibilities are truly endless.

WALLPAPER

Our wallcoverings can be supplied on different material types, depending on the sort of project.

RESIDENTIAL PROJECT

- Fleece non-woven wallpaper, traditional strips on the roll.

This wallpaper has a special top layer which makes it stronger, feels more luxurious and is better protected against dirt. Fire rated in accordance with EN ISO 1195-2.

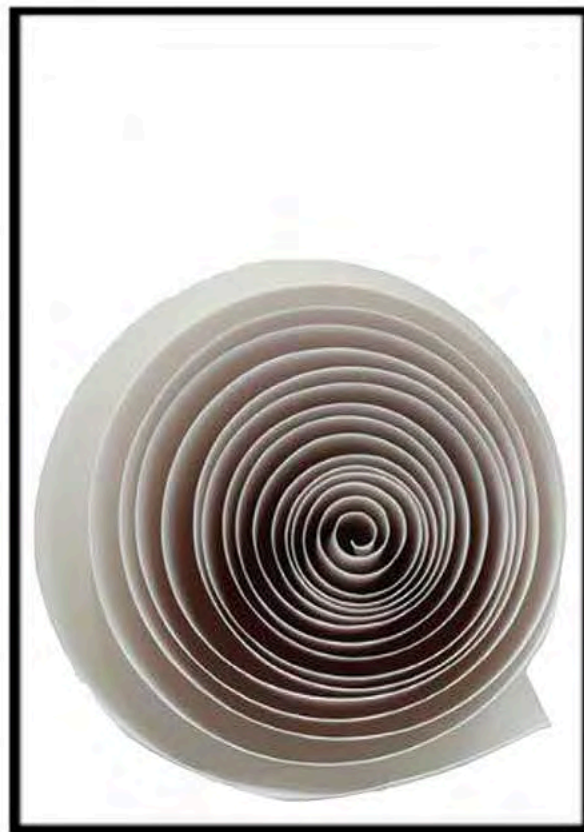

HOSPITALITY PROJECT

- Seamless Textured wallcovering: a highly durable finely woven fabric with a luxurious textile look.
- Seamless Smooth wallcovering: a highly durable finely woven fabric with a semi-matte look and smooth surface.

Both materials have a Fire rated B1/ M1 certification and a scratch-resistant top layer. They are also water-repellent.

- Seamless Acoustic wallcovering: Finely woven fabric with a matt and luxurious textile look, with a sound absorption value approx. 0,25 AW and a felt backing of 5 mm. This material has an EN-13501 C-1s and d1 Fire rated certification.
